### Notes

- ① The payments for the 2nd years of Master’s Programs are the same as those for the 1st year (excl. admission fee).
- ② The payments for the 2nd and 3rd years of Doctoral Programs are the same as those for the 1st year (excl. admission fee).
- ③ The “admission fee” is paid only at the time of admission, and the “tuition fee, educational enhancement fee, and laboratory practical training fee” are divided up into spring semester payment and fall semester payment. However, the spring semester payment at the time of admission is included in the payment made at the time of admission.
- ④ Following admission, separate course fees and practical training fees may be required for those students taking several particular subjects.
- ⑤ School expenses and so on may be subject to change while studying at university following revisions to “university rules”, etc.
- ⑥ A 30% reduction of the “tuition fee” portion of the school expenses is applied for foreign students for a period of two years following admission for Master’ s Programs, and for a period of three years following admission for Doctoral Programs.
- ⑦ If the admission refusal procedure is completed by the admission refusal procedure deadline, all payments made at the time of admission except the admission fee will be returned.
- ※For the details, please check the application guide in Japanese. (<https://www.chukyo-u.ac.jp/admissions/a2.html>)
